

The Manhattan Language Internship Program

The Manhattan Language Internship Program is the newest offering from Manhattan Language. This program is designed for F-1 students who need English for their future careers and combines Super Intensive English study (30 lessons per week) with an unpaid internship in an English-speaking workplace.

ELIGIBILITY

The program is open to recent university graduates, students nearing completion of a degree, and junior level professionals. Students must at least be at the High Intermediate level before they begin classes, and a telephone interview is required to confirm this. Before they begin their internships, students must attain the Advanced level.

START TIMES

Students can begin study any Monday of the year (except national holidays).

TYPES OF INTERNSHIPS

Internships may be available in the following industries:

Advertising	Entertainment	Marketing	Real Estate
Architecture	Fashion Industry	Media	Retail Sales
Art	Graphic Design	Non-profit	Secretarial
Business	Hospitality	Printing	Sports
Dance	Law	Public Relations	Travel & Tourism

The main purpose of the program is to raise the student's English ability and provide an opportunity to use English every day in an American work environment. Internships will be 15 – 25 hours per week and the school will try to match the student's internship placement with the student's professional interests.

BENEFITS

Manhattan Language offers top-quality English instruction at a very reasonable price. Our combination of small classes, professional teachers and comprehensive courses (with an emphasis on real communication) is the perfect way to improve English quickly. Our location in the heart of Manhattan is not only convenient but provides access to a variety of internship settings. Manhattan Language is a medium-sized school that gives personalized care and consultation when it comes to internship choices. Before the internship, the school will prepare students for a job interview and help them create an American-style resume. During the internship, the school will continue to monitor progress on a weekly basis. Upon successful completion of an internship, a student will receive a company letter detailing his or her working experience.
